RECEIVED
Aug 15 2023
S.C. SUPREME COURT

Jara Dawn Shurling, Esquire, in my post-conviction relief appeal. After discussing both the potential benefits and risks involved in going forward with this appeal, I have decided that it is not worth the risk of potentially ending up worse off. I have had adequate opportunity to discuss this decision with Attorney Shurling and I have been able to have her answer all my questions to my satisfaction.

I am confident that I now have a better understanding of my situation than I did at the time I filed my PCR. This is my decision. I have ^{not} ~~not~~ been coerced by anyone to withdraw this PCR Appeal. I understand that the decision to withdraw this PCR Appeal will result in a dismissal with prejudice.

I ask that the Supreme Court accept my decision and allow me to withdraw my PCR appeal.
