RESPONDENT’S MOTION FOR PERMISSION TO EXCEED PAGE LIMIT

---

The Brief of the Respondent Dwayne Thompson is currently due to be filed and served August 21, 2023. Pursuant to Rule 208(b)(5), SCACR, Respondent respectfully requests permission for his brief to exceed fifty (50) pages. This request is submitted because many of the issues presented by Petitioners’ brief are of first impression for the Court or implicate constitutional issues, so thorough briefing will be required to address each aspect of Petitioners’ arguments. Respondent does not anticipate that his brief will exceed seventy-five (75) pages.

The undersigned attorney for the Respondent hereby certifies that he has consulted with counsel for the Petitioners, who consents to Respondent's request to exceed the page limit.

Respectfully submitted,
