RE: Dominique Williams vs. South Carolina Department of Corrections and Florence County
Sheriff's Department
C/A No.: 2022-001750
AB File No.: 34715

Dear Ms. Singleton,

This firm represents the Respondents in connection with the above-referenced matter.

A couple of weeks ago, we received correspondence from Appellant with a document that was described as Appellant's Initial Brief. However, we have not been able to determine if the Appellant's Initial Brief was submitted to, received by, or accepted by the Court of Appeals and have therefore had difficulty establishing a deadline for submission of Respondents' Initial Brief.

Accordingly, please allow this to serve as a request for verification of whether the Court of Appeals has accepted and filed an Initial Brief of Appellant and if so, confirmation of the filing date.

Additionally, to the extent necessary, please allow this to serve as a request for an extension of time to file Respondents' Initial Brief. Should a more formal motion be required, we will be happy to comply with any instructions the Court may have.

Thank you in advance for your timely attention to this matter and we will look forward to hearing from you with guidance as to how we should proceed.
