Good afternoon,

Please be advised that we are still waiting on an additional portion of the trial transcript for Kareem Wallace from court reporter Katherine Spires. The request was made on June 19, 2023, with acknowledgment received from Ms. Spires on June 21, 2023. Ms. Spires said she would add it to the production list which would take 60 days to complete. As of this email, we have not received this portion of the transcript nor have we heard any update from Ms. Spires.

Please let me know if you have any questions or need additional information.

Thank you,
LaDonna
