

The South Carolina Court of Appeals

The State, Respondent,

v.

Charles Brandon Rampey, Appellant.

Appellate Case No. 2021-000184

ORDER

After careful consideration, this appeal is dismissed. Appellant was sentenced on January 23, 2017. He filed a motion for reconsideration of his sentence, which was denied on February 5, 2021. Appellant initially did not provide this court with the date he received written notice of entry of the order denying reconsideration, pursuant to Rule 203(b)(2), SCACR. However, in his amended notice of appeal, he stated he received it February 8, 2021. Appellant's proof of service attests that he served the notice of appeal on Respondent on February 22, 2021, more than ten days after his receipt of written notice of entry of the order on appeal. Accordingly, this court lacks jurisdiction over the appeal. *See State v. Devore*, 416 S.C. 115, 119, 784 S.E.2d 690, 692 (Ct. App. 2016) ("[I]n the absence of a timely served notice of appeal, this court has no jurisdiction."). The remittitur will be sent as required by Rule 221(b), SCACR.

FOR THE COURT C.J.

Columbia, South Carolina
