Re: Maurice A. Kelley v. State, Appellate Case No. 2011-192810

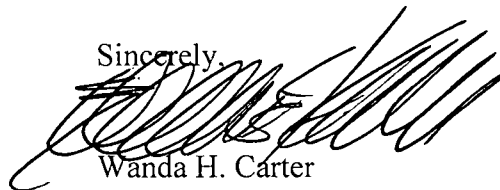

Dear Mr. Shearouse:

On December 6, 2012, this Court issued an Order granting the motion to reconstruct Maurice Kelley's first PCR hearing in order to perfect an Austin¹ review of the denial of his first PCR action. All counsels were present for the reconstruction hearing before Judge L. Casey Manning on February 27, 2013. Unfortunately, however, the hearing was not held because Maurice Kelley had not been transported by SCDC due to an administrative glitch. See the attached letter previously sent to this Court regarding the matter.

This letter is to advise the Court that a second reconstruction hearing has been scheduled to convene on July 16, 2013, at 10:00 am before Judge Manning to attempt to reconstruct the PCR record of Maurice Kelley's first PCR hearing.

Should any inquiries arise regarding the matter, please contact me.

Sincerely,

Wanda H. Carter
Deputy Chief Appellate Defender
