Appellate Case No. 2019-001944

---

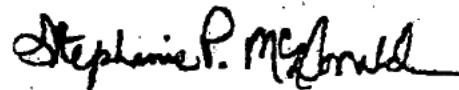

## ORDER

---

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.<sup>1</sup>

---

<sup>1</sup> It was brought to this Court's attention in the petition for rehearing that the second-to-last paragraph of the opinion contained a typographical error where Dr. Edwards' note was cited incorrectly as the September 28, 2016 note. The typographical error has been corrected and the opinion now correctly refers to Dr. Edwards' note as the September 28, 2017 note throughout.
