Re: Craft Construction v. Pendleton Station
Appellate Case No. 2012-213227

Dear Counsel:

We have received the record on appeal and all final briefs in the above matter. However, it has come to the Court's attention that substantive changes have been made to the appellant's final brief. Counsel is reminded that the final brief must be identical to the initial brief except for references to the record and correction of typographical errors.

Therefore, counsel for the appellant is requested to serve and file the appropriate motion within ten days. Please see Rule 240, SCACR, for guidance.

Very truly yours,
