Ms. McAnuff:

It has been brought to my attention that the four homes located at ASIP Town Park have either been sold, removed or otherwise transferred. Given that your appeal pertains to the Order to Vacate and/or the Order Dismissing your appeal of the Order to Vacate, is it your intention to continue with the appeal now that it is moot? In other words, the remedy awarded by the lower court was to vacate the property ... which you have now done. However, this appeal remains filed challenging whether you should have to vacate.

Please confirm whether you intend to continue with the appeal.

Thank you,

Ed Love
