Hello Catherine;

Thanks for all your help.

I hope you are safe from the storm. Schools are out early today and may be closed tomorrow. It's already raining hard.
Stay safe.

This is an important update and much-needed request. I'm waiting on the name and info on the attorney from Public Defenders office in Aiken..

As I stated in my last email....to handle the legal terms I don't know-how to do, I said I would be getting a public defender. I've already paid so much. I attached the receipt in this email where I went to Aiken County and applied for a public defender. They said I would receive a notice in the mail appointing me an attorney. I won't know the name of my public defender until they notify me.

But as I also told you, I had to appear in court a few days ago about the huge 1800. month payments they somehow had me down to pay.. there is no possible way I could ever pay that.

When I got to court the other day there was a public defender there to speak for me. I showed her my letter from you and some other real important documents. I also told her I am innocent. This was all premeditated and a big scam by the accuser to get money from me... I really do like this public defender and would love for her to represent me. In court, She told me I should be fine and..when she looked at everything and showed the judge....she got the case sent back to Edgefield County and there were no violations. I thank God for that.. I literally burst into tears.

So I have left messages with her office (Public Defenders Office in Aiken) to see if she can still represent me or they will still send me the letter and attorneys name.. or do I have to go do another application for a public defender back in Edgefield County.? I know I need help with the legalities. I know the truth and have evidence but I don't know the legal terms.

So I either have to wait on the letter from Aiken's Public Defender Office or I'll have to go apply in Edgefield.. But I don't want to miss your deadline..Monday is a holiday.....I am desperately trying to do everything your court asked of me... I WILL have an attorney in either Aiken or Edgefield County.. I just do not have a letter or name to give you until I am notified. The 30 days may be here before they assign me one.

So I need more time to find out the name of the attorney or apply in Edgefield since it was sent back there.

God bless you.
