APPEAL FROM DORCHESTER COUNTY
Court of Common Pleas

Maite Murphy, Circuit Judge

Appellate Case No. 2023-000707

Deloris Campbell,Appellant,

v.

Cole B. Collins,Respondent.

MOTION TO EXTEND DEADLINE TO SERVE AND FILE INITIAL BRIEF
AND DESIGNATION OF MATTER
TO BE INCLUDED IN RECORD ON APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The undersigned counsel will be primary counsel on this appeal and was just brought into this case; he has not had sufficient time to review the record and prepare a brief. Appellant received the transcript in this case on or about August 1, 2023, which would make the deadline for the initial brief and designation tomorrow.
2. Accordingly, an extension is needed.

3. This is actually the first extension sought of this deadline. An extension was sought earlier for the purpose of obtaining the transcript, but such an extension was not needed then, as the deadline was never set until Appellant received the transcript. The extension sought in this motion is, thus, actually the first extension of this deadline sought.
4. There is good cause for the requested extension. The undersigned has not been in the case long enough to review the record and prepare a brief.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellants pray for an order extending the time in which to serve and file the Appellants' initial brief and designation of matter to be included in the record on appeal by 30 days.

Respectfully submitted,

/s/ Andrew S. Radeker
