RE: Abel v. Lack's Beach Service, Inc.  
Appellate Case No. 2023-000569  
Our File No. 075329/01500

Dear Ms. Kitchings:

The Court issued an Order holding all briefing deadlines in abeyance on June 14, 2023 pending disposition of Appellant Lack's Beach Service, Inc.'s motion for a limited remand. The Court denied Appellant's motion for a limited remand on August 29, 2023 without prejudice to Appellant raising the arguments in its merits briefing. The Court's Order, however, did not address the resumption of the briefing schedule. Appellant respectfully requests clarification of the applicable briefing deadline.

Appellant further respectfully requests a thirty (30) day extension of time to file its initial brief of appellant and designation of matter. This is Appellant's second request for an extension of these deadlines. Although Appellant previously filed a second motion to extend the briefing deadlines from June 14 to July 14, 2023, the Court's entered its order holding all deadlines in abeyance on June 14 prior to acting on Lack's motion.

This request is premised on preplanned, out-of-state business travel, numerous other briefing obligations of Attorneys Brown and Williams in this Court and the Supreme Court, the undersigned's oral argument in this court on September 13, 2023, Attorney Brown's participation in an up to two-week trial in Federal Court in Augusta beginning September 10, and work obligations in other matters.

A check in the amount of \$50.00 for the required filing fee will be sent via separate cover. Thank you for your consideration of this request.
