Come now, the Appellant would reply to Respondent's Motion for Cost and respectfully asks this honorable court to grant the Appellant's motion to Reinstate this Appeal by ordering the transcript. And allow this appeal process to run its course, to preserve the interest of justice, the integrity of Sumter County's citizens Voting Rights and to ensure that every vote was counted. There cannot be any questions or doubts about fair elections when there is a presidential election in November 2024. The issue presented by the Respondent can be resolved on its merit. The Appellant respectfully asks the court to view the issues presented by the Respondent as a harmless error on the part of the Appellant and in no way damages the Respondent's or Appellant's right to due process.

On August 25, 2023 the Respondent filed a "*MOTION FOR AWARD OF ATTORNEY'S FEES AND COSTS ON BEHALF OF RESPONDENT*". This motion and all of the Respondent's past actions, shows **Little to No Respect** for the Chief Justice, this Honorable court and the Appellant's **Right to Due Process**. The Respondent was and is well aware of Appellant's motion of Removal to Federal District Court which put a Stay on any proceedings until the Federal District Judge or the Chief Justice makes a final order (Exhibit 1). Yet the Respondent proceeded to swear in a candidate to take office by the judge who ruled on the appeal in Circuit Court. The Respondent had no regards for the Appellant's due process right, this matter is on appeal (Exhibit 2). "The South Carolina House Speaker vows to fix loophole in local elections law" (Exhibit 3). The Appellant ask this Honorable Court to review and correct election laws and all change in the law and this matter.

WHEREFORE, The Appellant pray this Honorable Court will deny Respondent's Motion for Cost, Grant the Appellant's Motion to Reinstate the Appeal and submit a transcript to preserve the Appellant's and other persons similarly situated Constitutional and Civil Rights. The Respondent act as if they have issue court orders.
