Dear Ms. Kitchings:

I today received copies of an initial brief and designation of matter from counsel for the Appellants in the referenced matter, which have been submitted to you for filing months after the last extension granted by the Court and without any order reinstating the appeal. There is therefore no procedural basis for the documents to be filed at this time.

Respondent McNair Law Firm, P.A. objects to the filing of these papers, and requests that they be returns to Appellants pending a decision on the motion to reinstate the appeal.

Very truly yours,

  
Robert E. Stepp
