**RE: Pamela Cartee v. SCJD (Preston F. McDaniel) (2)
Appellate Case No. 2023-000187**

Dear Ms. Howard and Ms. Kitchings:

I was just served by email on the afternoon of August 29th with a Motion to Stay in the Court of Appeals and a Motion for Certification in the Supreme Court. I have today contacted both Counsel for the Respondent and asked them if they have any objection to me obtaining an extension of twenty (20) days in addition to the ten (10) time to respond, due to the timing of the filing and my responsibility to my other clients. So, the purpose of this letter is simply to ask you to advise me procedurally so that I may properly make this request for an extension of time.

Things are changing, I admit I am old, and I am used to on a first extension request, simply writing a letter and including the required filing fee for making a request for an extension. Is that sufficient for each of these motions in your respective Courts, or do I need to file a formal Motion asking for an extension? I appreciate your consideration of this request and your response so that I know how to proceed.

By copy of this email, I am notifying all parties of this request.

As always, I appreciate all the courtesies and kindnesses shown to me by you, your offices, and the Courts.

Sincerely yours,
