RE: Explanation of Appeal, Rule 203 (B)

DEAR CLERK OF COURT

I am filing this appeal because of the petitions  
of my Counsel Record

During the sentencing hearing the solicitor violated  
my due process rights by informing the court of  
prior bad acts outside the scope of allowability,  
any prior convictions for prior acts cannot be  
used by the solicitor to the court for enhancements  
of sentence beyond 10 years.

During the hearing my attorney failed to object to the  
use of prior criminal history past 10 years, because  
of this failure the courts used the extended  
prior records past 10 years to elevate the sentence  
issued by the court of 7 years. If counsel would  
of objected in court to the due process violation of  
the solicitor.

For use of prior outside of the allowed there of  
10 years I believe I would of received a sentence  
in the range of 3-5 years not 7 years for the charge  
convicted of

I Respectfully Request That my issue  
Raises Be Allowed To BE Presented To The  
Appellate Court For Review

Thank You For Your Time And Help  
With This Matter

Respectfully Submitted
