My sincere apologies to opposing Counsel, Mark Farthing. I always copy opposing counsel on my filings. On the rare occasion when I have initially forgotten to do so, I have caught it quickly and sent a copy out on the heels of the main filing. I honestly am not sure how this omission happened, I have been checking the case management system for a ruling on my Petition. I saw that Mark Farthing had requested an extension to file a Response to my Petition and that his extension request was granted. I had not responded to request because I had no objection to his request. by Copy of this email I am serving Mark with a copy of my Petition.

Attached please find for filing Appellant's Petition to file an Amended Initial Brief of Appellant and an Amended Final Brief of Appellant necessitated by a Transcription Error in the Trial Transcript. I have also attached a copy of Appellant's Certificate of Service on opposing counsel. I appreciate your assistance in filing these documents. Thank you very much as always.
