Hello,

I received a letter indicating that our Proof of Service needed to be modified to resemble Form 7. I have done so and I have attached a copy for your review. Can you please look at it and make sure it is sufficient.

Please find the attached revised Proof of Service of Motion to Order Transcripts Past Filing Deadline and the Transcript request form for Appellate Case # 2023-001180. If sufficient, please file this document today- September 11, 2023 as it is due today. I will mail the original document along with the \$50 filing fee today.

I would like to request a reply email acknowledging receipt and the filing if you don't mind for my records.

Thank you in advance for your assistance.

Tammy Epley
