

The South Carolina Court of Appeals

Kenneth Dippel, Appellant,

v.

State of South Carolina, 15th Circuit Solicitor's Office,
and SLED, Respondents.

Appellate Case No. 2023-000048

ORDER

On July 6, 2023, Appellant filed a motion to file a "supplemental addendum to final briefing." We liberally construed Appellant's motion and allowed consideration of his filing as a submission of supplemental citations pursuant to Rule 208(b)(7), SCACR. We also permitted Respondents an opportunity to respond as the rule allows. Respondents submitted a letter in response on August 4, 2023. On August 10, 2023, Appellant moved to strike Respondents' response because it did not comply with Rule 267, SCACR. After careful consideration, we deny Appellant's motion to strike. *See* Rule 208(b)(7) (directing that supplemental citations and any response be submitted by letter). Appellant also moved this court to allow him to file a "cross reply" to Respondents' letter. We deny Appellant's request. *See* Rule 208(b)(7), SCACR (allowing for a response to the submission of supplemental citations, but not allowing for a reply).
