Ms. McAnuff –

I am in receipt of the Record on Appeal. In reviewing same, I note that it includes matters outside of your designations and outside of the record below. Furthermore, it fails to include any items from Respondent's Designation of Matters. I would ask that you file an amended record complete with all items required under Rules 209 and 210 of the SCACR and nothing more. Failure to do so within ten (10) days will result in Respondent filing a Motion to Dismiss for failure to comply with the court rules.

Thank you,

Ed Love  
Counsel for ASIP Town Park
