I received an email this afternoon that the Court of Appeals has not received the Respondent's initial brief and designation of matter to be included in the record on appeal.

I personally mailed same from the Gaffney Post Office to the Court of Appeals and to Petitioner's counsel on 9-8-2023. I have attached the receipt which I received from the U.S. Postal Service which reflects the date and time of the mailing, and the mailing destination of the two envelopes.

It is concerning to me that 10 days have passed since the mailing, and that the Court has not received it. I could have walked it to Columbia faster than that.

What I intend to do is wait until the end of the week, and if you still have not received the mailing, I will drive to Columbia to file the initial brief and designation of matter in person.

Please contact me if you should receive my mailing of 9-8-2023, or if you have any questions about this matter.

Sincerely,

Trent N. Pruett
