Good morning

Thanks for extension to find a public defender. I've been sick.. thanks also Catherine for the info in the letter about public defenders office.. Trying to make the request and do apply... I see only 3 public defenders for Edgefield County. Is just a regular public defender for Edgefield County fine to use to help me get my appeal information to your court in the correct format? They are all 3 located right next door in Lexington SC to the state solicitor. I was hoping to find someone not so close with solicitor, but I only see the 3..

Are any of the 3 listed okay to use? I only ask because on the SCCID site..I see under resources they also show Appellate Staff which looks like for cases under appeal for indigent.....there is a long list but they are all for Richland County ..

I have another application fee so am applying .. just wanted to be sure I'm not required to get indigent atty that deals with appellate cases..cause I only see them as being for Richland County.

Thank you. If I don't hear back..I will use one of the 3 public defenders listed for Edgefield County. Thank you so very much. I will keep you updated.
