6. A copy of all building permits issued on the Sea Mountain Highway Property, the Nixon Property, Pointe Marsh and the Putt-Putt owned or developed by the Defendants.

Please note that the documents responsive to this request were produced on 3/18/09 in the offices of A&E; Plaintiff and Plaintiff's accountant and attorney were present for such production.

Please find produced herewith an additional copy of such documents.

Please note that additional permits for either or both project may exist, but are not in the possession of the Defendants; therefore, the Plaintiff is referred to those city and/or county entities from whom such permits may have been obtained.

NOTE TO KIF: We only have copies of 20 out of 23 foundation permits for Pointe Marsh, only 22 out of 23 buildings, and only 16 pool permits. It appears that we have records of all of the permits pulled for the Black Pearl. For your clarification, and in case you need to clarify the response, the property was purchased from Mr. Nixon; the property is located on Sea Mountain Highway; the housing project on the property is Pointe Marsh; and the Putt-Putt is known as The Black Pearl. There are not four different properties and/or projects, only two.

Our File No. 00325/01731

Dear Frank

As you know, I represent NBSC, and they have requested that I respond to the subpoena they received on January 18, 2011 requesting financial information on Arthur Wayne Vereen. Mr. Vereen is involved in one loan from NBSC. As such, I am enclosing, pursuant to your subpoena, the financial statement we received from Mr. Vereen in our matter. There was not a loan application done in this matter. I believe the only document in our file responsive to your subpoena is the enclosed financial statement.

If you have any further questions, please contact me.

Very truly yours,

Susan P. MacDonald

Rule 45, South Carolina Rules of Civil Procedures, Parts (c) and (d):

(c) Protection of Persons Subject to Subpoenas.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2) (A) A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial. A party or an attorney responsible for the issuance and service of a subpoena for production of books, papers and documents without a deposition shall provide to another party copies of documents so produced upon written request. The party requesting copies shall pay the reasonable costs of reproduction.

(B) Subject to paragraph (d) (2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time in the court that issued the subpoena for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3) (A) On timely motion, the court by which a subpoena was issued, or regarding a subpoena commanding appearance at a deposition, or production or inspection directed to a non-party, the court in the county where the non-party resides, is employed or regularly transacts business in person, shall quash or modify the subpoena if it:

i. fails to allow reasonable time for compliance; or

ii. requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to travel more than 50 miles from the county where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c)(3)(B)(iii) of this rule, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held; or

iii. requires disclosure of privileged or otherwise protected matter and no exception or waiver applies; or

iv. subjects a person to undue burden.

(B) If a subpoena:

i. requires disclosure of a trade secret or other confidential research, development, or commercial information, or

ii. requires disclosure of an unretained expert=s opinion or information not describing specific events or occurrences in dispute and resulting from the expert=s study made not at the request of any party, or

iii. requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to incur substantial expense to travel from the county where that person resides, is employed or regularly transacts business in person,

the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

(d) Duties In Responding to Subpoena.

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.
