Pursuant to Rule 240, SCACR, Appellant moves to enlarge the time within which to order the transcript from the proceeding below. Appellant is already in possession of the transcript from the hearing before the single Commissioner from January 19, 2023. Appellant has now ordered the transcript from the court reporter for the hearing before the Appellate Panel of the Workers Compensation Commission.

Appellant's failure to order the transcript within the time constraints set forth in Rule 207 was due to a clerical oversight on the part of undersigned counsel. As Appellant has already received one transcript and the transcript of the hearing from the Appellate Panel has now been ordered Appellant respectfully moves the Court to enlarge the time within which to order the transcript of the proceeding on June 5, 2023.

Respectfully submitted,

/s/W.H. McAbee III
