Please email me a copy of the letter approving extension time to get a public defender. It's been a stressful time and I somehow misplaced it. Please email me a copy in case I need it. I reached out to SC Commission on Indigent Defense. There were only 3 listed as public defenders for Edgefield County. I contacted the 1st person on the list, Sarah Mauldin who directed me to Jason Chehoski who she said is the person who takes cases in Edgefield County. I have reached out to them, but have not heard back from them. I will contact them again today. Just updating you.

God bless.  
Roland Green
