Hello,

I am writing to follow up on my request to Brenda Shealy, Deputy Clerk of the Court, concerning obtaining a copy of the recording of the April 18, 2012, oral argument in State v. K.C. Langford, III (Appellate Case No. 2010-173128). Because of its age, a recording of the oral argument is not available online. This morning, I spoke with Kelly Young, Records Manager with the Court, and asked if it would be possible for someone to go to the Court and watch the oral argument. She said that the recording is in the Court's case management system and could not be accessed by persons other than court personnel. She suggested I ask Ms. Shealy if it would be possible to obtain a copy. I spoke with Ms. Shealy and am following up with this email to request a copy of the recording of the oral argument.

Please call or email me if you have any questions. If you need me to provide a disc or USB drive, please let me know.

Thank you for your assistance.
