Catherine:

I have been in contact via both emails and phone calls with the SC Commission on Indigent Defense, Division of Appellate Defense in an effort to have representation for my appeal. I apologize for all the letters, all this is just confusing. I'm sorry, I didn't realize I couldn't use a public defender from Edgefield County. So I am waiting to hear back from someone. I stressed the urgency of meeting a deadline to get an attorney. I know I qualify financially and I really need help.

I will let you know as soon as they return my calls and emails. Please give me the date again, as the letter you sent me was accidentally misplaced. if you could please send me another copy of that letter via email I would very much appreciate it.

Thank you for your help.
