To The Appellate Court: Appellate Case No. 2022-01555
Ms. Sierra Richie Kenneth S. Pinckney v. Leroy Pinckney

This is my motion/letter to request that the Court hold the case in abeyance while the Office of Disciplinary Counsel make its decisions of discipline on Attorney Jeffrey Weathers, Attorney S. Chris Fanning, Judge Diane Scholer Goodstein, Attorney Thomas H. Bewah, Master-At-Law Edward Van Slambroek.

In last motion I said that Magistrate Lorraine Jenkins Atholgy would possibly be investigated. Well, she is now under investigation of the Office of Disciplinary Counsel as of September 21, 2023. By Attorney Maggie Chappell.

I am waiting on the Appellate Courts to answer my motion to clarify by law why it would not make an order for Abeyance on this matter, with the Appellate Court and the Court of Disciplinary Counsel being in the same building.

All of these Officers of the Court are under investigation. What these legal people have done

has ~~been~~ ~~ruin~~ the reputation of the Court allegedly.
Violated my due process rights of the 14th Amendment.
Subject matter Unsubstantiated, Venue. Rule 53. Equal protection
of the Law. Abuse of discretion. Malconduct and about
seven else the Office of Disciplinary Counsel Fields.
I am an American Citizen that has Brandenburg and
one now disillusion of the Justice System.

Under the Weight of all this dishonesty, who
can prevail under such weight of conspiracy
and injustice.

I am requesting that in clarifying the matter
of Abeyance, that everyone will be granted
and an order made to halt this Court Appellate
Hearing until the Office of Disciplinary Counsel
makes its disciplinary decision on all of the
Officers of the Court that I have made a Special
Complaint Against.

For Note, shouldn't this case be before the Supreme
Court. 14-11-85 states, Appeal from order or judgment of another
must be to Supreme Court or the Appellate Court. Of Violation of Rule 53?

In Jesus Name

With 0 Cases. One Prison Revolution!!!

with no laws or Authority go to
the Supreme or Appellate Court? I

diversely.

under stand the Court is considering
clarifying its decision on
Abeyance.

Brockway,

P.S. Just for Note. I've learned that the Office of Disciplinary
Counsel has a New Leader/Director An Attorney William Blitch
as of 17 Aug 23.
