Good morning ,

I just wanted to let you know I was contacted this morning by Adrienne from the Division of Appellate Defense for SC Indigent. I had been emailing them and sent a fax since last week. She said they mailed the application for me to sign and have notarized. She said it should arrive today or tomorrow and to mail back to her no later than Oct. 3. We will send it priority if we need to. I am sorry for all my emails, it just took awhile to hear back from them. I still would appreciate a copy of the letter showing extra time. I misplaced that letter and don't remember the deadline. I'm trying as hard as I can to do this as quickly as possible Thank You. I appreciate all your support and understanding. I will keep you updated and hope to have representation soon. God bless you.
