MOTION TO EXTEND DEADLINE TO SERVE AND FILE INITIAL BRIEF  
AND DESIGNATION OF MATTER  
TO BE INCLUDED IN RECORD ON APPEAL

---

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for the Appellant's initial brief and designation is currently this coming Monday, October 2, 2023.
2. The undersigned counsel is primary counsel on this appeal and will be submitting the brief. He had planned to complete the brief over this coming weekend.

3. He learned today, however, that his father, who was already in poor health, has taken a turn for the worse medically. Things do not look good, and a recovery is not likely. Accordingly, the undersigned will be traveling this weekend to be with his father.
4. This will take time away from what is needed to get the brief done.
5. Accordingly, an extension is needed.
6. There is good cause for the requested extension.
7. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellants pray for an order extending the time in which to serve and file the Appellants' initial brief and designation of matter to be included in the record on appeal by 30 days.

Respectfully submitted,

/s/ Andrew S. Radeker
