Re: Holtzclzw, Jerry v. Waldrep, Dennis
Case # 2012-207852

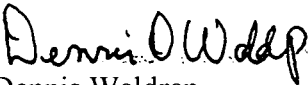

Dear Ms. Allen:

Thank you for your letter dated May 30, 2012 regarding the above referenced case. Your letter advised that I missed the delivery date of April 30, 2012 for the transcript in this case. Please know that this error was completely unintentional and I apologize if it has caused the Court any inconvenience.

The attorney Catherine Berger who represented me at trial of my case advised me that upon filing an appeal I would receive a schedule from the Court setting forth the various requirements and deadlines regarding the submissions that would be required and their corresponding due dates. As a result of this apparently incorrect information I was unaware of the deadline set forth in your letter or others that may be upcoming. I did send a request within the first 10 days of my Appeal for a quote from the Court Report (Ms. Jo Rice) for the transcripts of my case and did receive a price as advised by the Appeals Court.

I filed the appeal in this matter myself and have currently been interviewing attorneys to find counsel that can assist me in this matter which requires securing Funds for both Counsel and the transcripts as well. Accordingly, I do apologize for the delay on my part and respectfully request that the Court allow me a reasonable amount of time to continue on my own representation of my Appeal or to secure Counsel to proceed in this case. Please do not hesitate to call me at 864-973-9719 if anything requires immediate attention on my part.

Respectfully submitted,

Dennis Waldrep
