

Dear Mrs. Howard,

RE: 2023-001280

OCT 04 2023

S.G. SUPREME COURT

I would like this court to consider my notice of appeal as my explanation

I have no attorney. My counsel that represented my case NO. 2021-CP-26-7958 in both my PCR's. Attorney James K. Falk committed suicide sometime in April of 2023.

Mr. Falk admitted ineffective counsel of my first PCR November 27, 2018 for my "oe at" my second PCR Application ~~through the court~~ ^{No: 2021-CP-26-7958} as well as my Trial Counsel Ralph Wilson Jr. on January 5, 2023 on record.

At no time in my first PCR hearing did I or my counsel say anything about counsel being ineffective. The error was not brought to my attention until my second PCR by Judge Kristi F. Curtis. She added the error in her conclusion on record. There for it was not successiveness.

Case No. 2021-CP-26-7958 has been in the courts, I received my remittitur issued October 22, 2021 from 2017-2018-2019-2020-2021 December 10, 2021 my PCR application was filed.

One year did not pass before my remittitur was received. There for the statute of limitations is not untimely.

GOD Bless You,
Sandyh. Locklear
