2028	Instant Messages	11/27/2013 7:50:24 PM(UTC+0)	From: [redacted]8527	That's what I would like to do when the kids are older. He doesn't have a house there. I wish he did lol. The pass sucks! So you have to come back at a certain time that they write on the card BUT you can't go on any ride in the mean time so you have to wait. So yeah it's easier you don't have to wait on a line but you still have to wait somewhere. I found my self just sitting around waiting for the time to go back because there's nothing else you can do!

6325	Instant Messages	9/22/2013 2:53:52 PM(UTC+0)	From: +[redacted]3990	Oh ... The Hannah you have there. Haha. Yes Nathan hangs out with this girl I don't really like that much. We have a TON of kids in our neighborhood. Our doorbell rings all day and there are always kids here. It gets annoying but at least I know where they are and what they are doing. Nathan left for the football game on Friday with his girlfriend and his buddies just stayed and hung out. I heard them outside on the front porch swing. I had to ask then to leave. They said - hey we like it here. I was like - yeah I KNOW - now go home II

6432	Instant Messages	9/20/2013 5:19:01 PM(UTC+0)	From: +[redacted]3174	Good idea! My daughter dropped a piece of jewelry behind furniture on our last cruise and when Sidney pulled the drawer out we found all kinds of stuff. Pictures, jewelry, clothes...it was on the wonder and some of it was dated years ago! Don't lose hope. Joni can ask the stateroom host to look under the couch too. I doubt they do this every sailing so it could be sitting right there.	
6433	Instant Messages	9/20/2013 5:12:32 PM(UTC+0)	From: [redacted]0976	Other than the last night of getting sea sick we had an amazing time!!! I really hope and pray my picture shows up. I'm afraid it slipped under the couch or something. Joni is going to leave a note on the cabin door for the people in that room on the cruise she's on

I always had my tix removed from the room all together but I would do it at a window on site.

Most agents try to sell the best, most expensive thing they can. I'm the opposite. Probably not the best way to make $ but its the best way to treat people. Get them what they want and they use you next time too. I treat all vacations like they're my own.

8556	Instant Messages	6/17/2013 4:40:30 PM(UTC+0)	From: [redacted]3174	Most people would say people move on, but I'm not one if them. Even at 41 I told Sidney if I lost him I'd never get serious with anyone else. If you are with your soul mate that is that. My granddaddy passed more than 20 years now and my grandma wouldn't even consider dating another man, much less get serious with one. Question is what were your moms wishes? Did she think like us or was she the type to say find someone and be happy. I would hate if Sidney dated after I passed away and I know my kids would be irate.
