York SC 29745
Attorney for Appellant

This Appeal is being filed because my attorney failed to represent me to the best of her ability. Her and the Solicitor bullied me and coerced me into taking a guilty plea. Stating that if I didn't take the plea my bond would be revoked for violating the terms and conditions of my bond agreement. Also I was told that I was getting two years suspended to probation and ended up with three years suspended with a lot of special conditions like drug classes and mental health classes. I never even spoke with my attorney pertaining to my case. She never gave me my motion or showed me any evidence against me. The way my case was rushed and I were bullied is unjust and something must be done to correct this wrong.
