

To whom it may concern in the appellate court of appeals, I'm writing to obtain my transcript from my trial my name is Robert Lee Belcher III. And my lawyer's name is Kenneth Gibson who should have filed it, I would also like to know who my lawyer is that will be handling it. This is a very urgent matter because, I take getting my life back. And I would also like to know some steps that I would need to know to get this process started. And I would like to know who my independent defense lawyer will be. I was sentenced to 45 years in the department of corrections, and I would like a chance to appeal my conviction. I do find there were many errors of law at trial and that I was falsely convicted of the crimes they alleged I done. I really need my transcript from my trial as soon as possible please.
