

APPEAL FROM YORK COUNTY
Court of Common Pleas
J. Mark Hayes, II, Circuit Court Judge

Case No. 2019-CP-46-00051

Appellate Case No. 2023-001103

Daniel P. Cedrone and Poly-Tech Industrial, Inc., Respondents,

v.

Composite Resources, Inc., Appellant.

**MOTION FOR EXTENSION OF TIME FOR RESPONDENTS’
INITIAL BRIEF AND DESIGNATION OF MATTER**

Pursuant to Rule 240, SCACR, Respondents Daniel P. Cedrone and Poly-Tech Industrial, Inc. (“**Respondents**”) move for an extension of time in which to serve and file Respondents’ Initial Brief and Designation of Matter to be Included in the Record on Appeal. Respondents requests an extension of thirty (30) days to file the Initial Brief and Designation of Matter, which are currently due October 21, 2023. This is the first request for an extension by Respondents.

The grounds for this motion are that other impending professional matters and obligations have created a need for additional time to prepare the Initial Brief and Designation of Matter. Moreover, a thirty-day delay will not prejudice the rights of any party. Granting this motion would require Appellant’s Initial Brief and Designation of Matter to be filed with the Court no later than November 20, 2023.

For these reasons, Respondents respectfully requests an extension of the deadline for filing and serving its Initial Brief and Designation of Matter until November 20, 2023.

Respectfully submitted,

RIMÔN P.C.
