Dear Ms Kitchings,

Enclosed please find the following corrections to deficiencies noted in a letter from the Court dated September 28, 2023.

RECORD ON APPEAL: Index which also corrected the improperly paginated document,
A Corrected Cover pursuant to Rule 267(a), SCACR, Certificate of Counsel (pg. 10),
Corrected Proof of Service.

FINAL BRIEF: Certificate of Counsel and document signature (pg. 17).

Upon investigation, I have discovered several errors on the record that have adversely affected the timeline for filing deadlines including but not limited to a missing Motion, missing Proof of Service and incorrectly recorded filing dates. Most importantly, I never received any filings from Mr. Curtis until I received a copy of the final brief yesterday, October 4, 2023. A motion to reconsider the timeline based upon these errors will follow along with exhibits.

Additionally, please take note of Appellant's change of mailing address listed below.
