Appellate Case Number: 2023-001481

OCT 13 2023
SC Court of Appeals

Dear Clerk Of Court,

Due to extreme extenuating circumstance and under a great deal of duress I am forced to withdraw this appeal... The \$25,262.65, monies which I was and am, conclusively, entitled to by law, because I had already performed the work, so the money was owed to me and was my money, But, apparently, Attorney from SCDC put stipulations on my getting the money, which I believe to be unethical and possibly illegal because it was money owed to me by law and I don't believe one can put stipulations on the person getting monies for worked already performed, also SC Code Of Law §24-3-40, mandated how the monies were suppose to be distributed and certain portions were suppose to be put in my EH Cooper Trust Fund for my use, which was how I was suppose to and was planning on paying the filing fees, instead, they put all the monies into a PI Long term account, which I will not be able to access until after the first of the year, which makes it impossible to pay the filing fee in time.. I suffer with anxiety and have just recently been able to get off of mental health and the pressure of what is being done to me is overwhelming, Therefore, I am forced to ask you to withdraw this appeal without prejudice, Im just under so much pressure and duress, I don't know if what opposing counsel was and is doing is intentional or not or whether its unethical or illegal or not, But I apologize, because I know our courts and the clerks are already over worked with heavy case loads, so I apologize and ask that you withdraw the appeal without prjudice.

Thank you so very much!
