CASE NO. 2013-000982
Indictment/case #: 2012GS0700717

This in reference to a appeal which was to be withdrawn reasonings being a motion to withdraw it was sent to the clerk of court in beaufort county. ON July 15, 2013 I received (2) letters one of Mr. Tabor Vaux relieving his self of counsel and another one stating that their was no proof of service an no order for the appeal. As can be seen their is two diffent hand writtings on the notice of appeal. I'm just wondering why the letters were sent to me after the motion to withdraw the appeal was made because it was never suppose to leave the county. I sent the motion to withdraw the appeal as soon as I found out the appeal was sent out. with this all being said I wish for the appeal to be withdrawn/cancel because didnt want it

Thank you
