cc: Charles William Snyder, Esquire (with copy of correspondence)
James Edward Hunter, Esquire (with copy of correspondence)
The Honorable Jenny Abbott Kitchings (with copy of correspondence)

Good Day to Whom this letter concerns. I'm writing
to notify the negligence in my case and to ask someone
to take action I just recieved a life sentence for murder
I also want to notify that my lawyer Mr. Charles Snyder
I was drunk the whole trial the very first day he told
me he was a long night so he had to bite the daisy that
bit him and he showed of liquor. The Spartanburg
county solicitor's office knows Mr Snyder is a alcoholic
which they use him on big cases such as mine to get
easy conviction's also I had other options in this case
but he was to drunk to even to explain or prepare a
proper defense for that arguement this is grounds for
lack of representation Mr. Edward Hunter use's his power
in alot of his case's to get easy conviction and it's time
to put a stop to this cause. He is aware of Mr Snyder's
abuse of Alcohol and know's he will not be able to perform
his duties I have to both of you with these concerns but
I am fighting to get understanding and fairness in the court
room and to stop the abuse of Spartanburg county solicitor's office
and the people that work in it I understand there are
laws and we have to be followed but I also
understand control, and being taken advantage of people
and Mr Hunter is taken advantage of his case by
using Mr Snyder as a "puppet" I will be in touch soon
again with other legal action but I would like for you
to pull the recording's from this hearing and
listen to my representative and to him if he was not
under the influence because I know he was and those
recording's are your proof and if you find enough
proof that he was then I will take the next
action. Thank you for your time a patience
Have a Blessed day
