Subject: The State v. Terrence O'Neil Frazier (2023-001439)

Good Morning,

The State ordered and received the transcripts needed in this case prior to filing our Notice of Appeal. I am resending the letter that was filed with our Notice of Appeal out of an abundance of caution. We have calendared our Initial Brief of Appellant and Designation of Matter for Friday, November 10, 2023 (60 days from the date we filed our Notice). If this date does not match the due date in the Court's system, will you please let us know?

Thank you so much!
