I SC Court of Appeals

I just received this appeal. They said it

was sent to jail so they finally got to me in SCDC. I want to note that my

Attorney DIDN'T come see me but one time before trial and DIDN'T call any witness I

told him to. I want them to know my counsel sold me out. DIDN'T fight for me.

A lot went on in trial that was not supposed to happen. Charged me with 1st Degree Sexual

assault that happened in Richmond County showed video that was in large shadows they made seem like was a bag was no bag. Victim

charged from her original statements. If I did arm robbery why wouldn't I take out

more than 200\$ and I gave her the rest back. She found out I was getting high and she

said she felt paraded so she was going to parade

me. She said she got in shower then went and got a knife. Why get in shower if

you was scared.

->

Then South Congree officer said she
DIDNT act like a Rape victim. So please
review everything I need help I shouldn't
be doing 74 years for this. Thanks
