RECEIVED

OCT 23 2023

S.C. SUPREME COURT

RE: Appellate case No. 2023-001280

I received the court's order on this matter that it be dismissed. My prayer is that my plea to the court has been taken under consideration because that, I did not have counsel appointed to represent this case on my behalf. I received an affidavit of personal service dated Oct 5th 2023 for Order of Dismissal case No. (2021-CP-26-07958) is this the remittitur for case No. 2023-001280? Please contact me back so I will know what I need to do next to have my issues heard in the courts. I didn't have a fair trial, it was stolen from me, it still is.

Thank you,
Sandy Hackbeak
