RE: Request for Appearance

To Whom It May Concern:

I received the attached letter stating that my appeal is ready for consideration and is being processed. Before a decision is made, I am humbly requesting again that I am granted an appearance to the Court of Appeals to explain all the errors and falsifying documents (such as the Transcript not being accurate nor was the original signed or certified) that have occurred during this case. Because of the deception the opposing counsel has done, I feel that a personal appearance will be the best way I can present the truth and facts of this case. I ask that you please grant this request.

Humbly Submitted,
Joe Clemons, *Pro Se*
