

# The Supreme Court of South Carolina

Bobby Ray Gladden, Petitioner,

v.

State of South Carolina, Respondent.

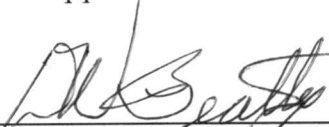

Appellate Case No. 2023-001137

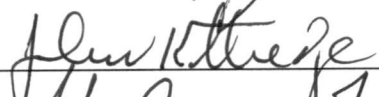

---

## ORDER

---

By order dated September 12, 2023, this Court dismissed Petitioner's notice of appeal and prohibited Petitioner from filing any further collateral actions in the circuit court. Petitioner has now filed a petition for rehearing, a request for permission to file a collateral action challenging his murder conviction and sentence, and a motion for appointment of counsel. Because Petitioner has failed to show this Court overlooked or misapprehended any point in the order, the petition for rehearing is denied. *See* Rule 221(a), SCACR (providing a petition for rehearing must state with particularity the points supposed to have been overlooked or misapprehended by the Court). Further, because Petitioner has failed to demonstrate why the Court should reverse its previous order prohibiting him from filing any collateral actions challenging his conviction and sentence, we deny his request to file a collateral action and for appointment of counsel.
