State of South Carolina,

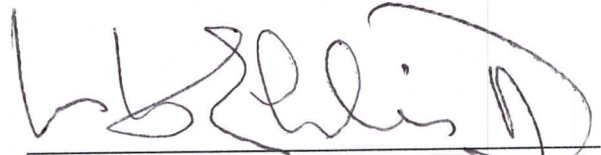

Respondent.

MOTION TO EXCEED PAGE LIMIT

The Petitioner hereby moves to exceed the page limits set forth in South Carolina Rule of Appellate Procedure 243. This matter is a complicated capital post-conviction relief (PCR) proceeding. It includes the capital trial and sentencing, a multi-year appeal involving multiple requests to relieve counsel and proceed *pro se*, competency hearings, the first PCR proceeding and certiorari from that PCR, and the two successive PCRs. It involves thousands of pages of transcripts and exhibits. The Petition for Certiorari will exceed the twenty-five (25) page limit in Rule 243(e)(3).

WHEREFORE, Petitioner moves to exceed the page limits in his Petition for Writ of Certiorari.
