I apologize for the late reply, I've been out of the office and prepping for a term of court which starts tomorrow.

This inadvertently did not get placed on my calendar to submit the extension request – we will prepare and submit this today, and I would respectfully request that the extension be considered as within time due to the extreme case load we are all attempting to manage right now. By way of this email I would also request Ms. Saxon's consent for the extension.

Thank you! And again my apologies.

Respectfully,

--
