Re: Bank of America v. Kadeem Gaddist
Appellate Case No. 2023-001509

Dear Ms. Schultz and Mr. Gaddist:

We are in receipt of your transcript request form dated October 25, 2023. Previously, appellants filed a motion for extension of time to serve and file the appellants' initial brief and designation of matter in which appellants state that there was no transcript to be ordered. You must file a motion seeking to order the transcript out of time. We will not take any further action on your filing.

Our records reflect the appellants' initial brief and designation of matter are currently overdue. You must serve and file the appellants' initial brief and designation of matter within ten (10) days from the date of this letter, or a motion seeking permission to order the transcript out of time, or this appeal will be dismissed.

Very truly yours,
