Re: Jessica Bennett and Thuy Gasser v. ACS Primary Care
Appellate Case No. 2021-001342

Dear Counsel:

The above case appeared on an earlier preliminary list, but was not placed on a roster. The matter may be scheduled for the March 2024 term of court. If this case is selected for oral argument, the Court will hold arguments on March 4, 5, 6, 7, 12, 13, or 14. If you have a scheduling conflict with any of these dates, please advise the Court of the specific nature of that conflict by November 20, 2023.

Also, please note that the Court may determine after further review that the case will be submitted without conducting an argument. If the Court makes this determination, you will be notified in writing.

Very truly yours,
