RE: Amended Motion to Confirm Stay

To Whom It May Concern,

Yesterday, I filed a Motion to Confirm a Stay with the Court of Appeals. There was one fact that I misunderstood from the counsel that was present at the hearing on November 6. He immediately corrected my error, but it was not caught until after I filed the original motion. I am filing an Amended Motion to correct the line in the second paragraph of the first page that originally said the court did not hear arguments to say that the court did hear arguments before ruling there was no stay.

There is no transcript available yet and this is an urgent matter as Mr. Anthony has been put in jail because of this issue.

Sincerely,

Shawn M. French, Sr.
